WHOLESALE TRADE LIST.

FALL OF 1914.

We present herewith our semi-annual trade list for the fall of 1914, and solicit your patronage. This is our thirty-sixth year in the nursery business.

We have excellent packing facilities and are on the Atchison, Topeka & Santa Fe and Missouri Pacific Railways, with a switch through our packing house; about fifty-five miles southwest of Kansas City; one express company, the Wells Fargo & Co.

TERMS OF SALE.

Our shipping season begins October first and continues until April fifteenth. Please furnish explicit shipping directions, mentioning the route, and whether you wish shipment by express or freight. When no directions are given, we use our judgment, but in no case do we assume any responsibility as to safe arrival and condition of stock after a proper shipment.

We grade carefully; in some cases by caliper, others by height. When by both, the caliper must govern. The lower number is included and the higher number is excluded. For instance, in a grade of four to five feet, the four foot trees are included, but the five foot trees go into the next grade higher.

We pack all stock in the most thorough manner, for which a moderate charge—sufficient to cover the cost—will be made. Boxes packed and paper-lined will be charged as follows:

30 inches square, 8 to ten feet long, at \$3.00 each.

24 inches square, at \$2.00 to \$2.50 each.

18 inches square, at \$1.50 to \$1.75 each.

Bales at from 25 cents to \$1.00 each.

Cash or satisfactory security before shipment. Remit by Kansas City or eastern exchange, or express money order. Orders to be sent C. O. D. must be accompanied by at least one-fourth of the amount of the order. To prompt-paying customers, the usual thirty to sixty days will be allowed from the date of shipment, but where the time is not especially agreed upon, thirty days is to be understood. Interest will be charged upon all overdue accounts. Should prices be changed, either higher or lower, during the season, the prices ruling at the time the order is made are expected to stand. When the order amounts to \$50.00 or over, the articles will be figured at thousand rates.

Prices are subject to change without notice.

While we exercise the greatest diligence and care to have all our trees and plants true to label, and hold ourselves in readiness, on proper proof, to replace all trees that may prove untrue to labels, free of charge or refund the amount paid, it is mutually understood and agreed between the purchaser and ourselves that our guarantee of genuineness shall in no case make us liable for any sum greater than originally received for said trees, etc., that prove untrue.

A Health Certificate Will Be Furnished With Each Shipment.
